Elliot,

We ask that you provide citations to the specific "European data privacy laws" referenced in your August 2, 2022 email and a summary of the B/T Defendants' concerns regarding document production; because the B/T Defendants have not raised this concern before, we need more information to productively meet and confer on this issue.

We will revert back with a response regarding your extension request shortly.

**Subject:** Tether -- discovery deadlines

Counsel,

As you know, the deadline for substantial completion of document production is August 22. As we have not yet reached agreement on custodians, relevant time period, or search terms, an extension to that deadline will be necessary. We propose a two month extension of the deadlines set forth in Sections 6(e) and 6(g) of the Court's Scheduling Order, which should allow all other deadlines to remain in place. Please let us know as soon as possible if you agree to this extension request. A draft stipulation is attached for your review.

Separately, we would like to schedule a call to discuss certain European data privacy laws that may impact productions by the B/T Defendants. Please let us know if you are available tomorrow at 4pm ET or Thursday after 2pm ET.

Thanks,  
Elliot
